Providers Receiving RAD Messages for Over-One-Year Claims..... 1

CCS Service Code Groupings Update 1

Providers Receiving RAD Messages for Over-One-Year Claims

Effective May 1, 2006, providers will no longer receive acknowledgement, approval or denial letters for claims submitted more than 12 months from the month of service and that meet established late submission requirements. Such claims will be noted on a *Remittance Advice Details* (RAD) with a message indicating the status of the claim.

The policy described above applies only to original claims delayed over one year from the month of service due to court decisions, fair hearing decisions, county administrative errors in determining recipient eligibility, reversal of decisions on appealed *Treatment Authorization Requests* (TARs), Medicare/Other Health Coverage delays or other circumstances beyond the provider's control, and were subsequently sent to EDS' Over-One-Year Unit.

This updated information is reflected on manual replacement page hcfa sub 3 (Part 2).

CCS Service Code Groupings Update

Effective for dates of service on or after July 1, 2006, numerous codes have been end-dated within the California Children's Services (CCS) Service Code Groupings (SCGs) 01, 02 and 07. These end-dated codes appear in bold with a strike through the entire code.

In addition, retroactive to dates of service on or after July 1, 2004, codes have been added to SCGs 01, 02 and 05. These codes are bold and underlined.

It is important to note that on these manual pages SCG 02 includes all codes in SCG 01; SCG 03 includes all codes in SCG 01 and SCG 02; and SCG 07 includes all the codes in SCG 01, 02 and 03. These same "rules" apply to end-dated codes.

This information is reflected on manual replacement pages cal child ser 1, 5, 6, 11 thru 18 and 21 (Part 2).
